NEW FLOURING MILL.

One Will Be Established Soon at McCains.

A number of citizens of the McCains neighborhood have organized for the purpose of erecting a flouring mill at that place. At a meeting held a few nights recently, it was decided to begin the erection of the mill as soon as possible, and the capital stock was fixed at \$6,000, in shares of \$50 each. A majority of the stock has already been taken. The mill will be fitted up with the latest machinery, and will be of 50 barrel capacity.

two surries left; don't want to carry through winter, have slackened the price. Big saving, come quick; money will tell. See
SATTERFIELD & DODSON.

A Word to Candidates.

By-the-way, if you are not a candidate, there is time yet for you to enter the race for our Premium Phaeton, and win. All you will have to do, is to hustle. Three-fourths of the people who pay, don't vote. Just think of that. We ought to have candidates in every neighborhood, so as to induce everybody to vote.

The candidates already announced should arrange to visit other neighborhoods than their own, and secure votes that nobody is getting. And, from persons who know and will trust them, they should get the money and turn it in to this office. For promises do not count. If you expect to win you must work. Solicit everybody you meet. If they take the HERALD, ask them to renew. If they do not, ask them to subscribe. If it is a real friend of yours he will do one or the other.

Call at Satterfield & Dodson's and see the Phaeton. It will inspire you with renewed effort. Tell your friends and acquaintances to call there and take a look at it. Maybe it will interest them in helping you get it. They will find it at Satterfield & Dodson's furniture store, on North Garden street.

Our country candidates should not overlook their Columbia friends. Here is a good field for work, as you can give them choice of either the Daily or Weekly; and like many other good fields in the county, it has not been half worked yet.

The votes are well scattered so far. It is nobody's Phaeton yet. There is still a chance for everybody. Go to work and win. If you devote half your time to it from now until May, and win, you have made good wages.
